

An invitation to participate in our re[TURN] Reclamation Program with these 5 easy steps.

IDENTIFY

DISCOVER what is on the floor today that we are replacing.

Provide your Shaw sales rep a **PHOTO** (or access to the space) to identify existing carpet tile backing.

CONFIRM you want to recycle the existing product - especially if it's EcoWorx!

SPECIFY

INSERT the **Reclamation Spec document*** into the finish schedule - this gets reclamation included in the bid process.

PROVIDE the information needed to register the project (product type, contact, address, yardage) to your Shaw sales rep.

*Contact Patcraft Customer Connect or Shaw Contract Inforum for current reclamation spec.

INTRODUCE

SETUP an introduction for your Shaw sales rep to the GC - these interactions with the GC are your opportunity to make the project happen!

re[TURN] Reclamation Team will:

CONTACT the customer/GC and send them the [Program Guidelines](#) & [Staging Guidelines](#).

ENGAGE the customer/GC for more information required to generate the project proposal.

EXECUTE

SUBMITTAL - ensure the customer/GC **SIGNS & RETURNS** the project proposal.

re[TURN] Reclamation Team will then work directly with the customer/GC to **SCHEDULE & ARRANGE** pick up.

REPORT

PROJECT CERTIFICATE will be sent to you upon completion.
